I. INTRODUCTION

Thank you for your interest in bidding on this project, which is being undertaken by the Public Building Commission of Chicago. The Public Building Commission of Chicago (hereafter, the PBC, or Commission) is a municipal corporation with a statutory mandate to procure and award contracts for the construction of public buildings in the City of Chicago, and to oversee the construction of those public buildings until they are turned over to the user agency that will own and operate each new facility.

This is the first page of text of Book 1, which along with Book 2, Book 2A, Book 3, and the project drawings, comprise the PBC's construction contract. The balance of this Book 1 provides a brief description of the project, instructions for completing and submitting your bid, the bid pages, and the forms which must accompany your bid. Book 2 is the Standard Terms and Conditions of the contract. Book 2A is the Standard Terms and Conditions Procedures Manual. Book 3 is the Technical Specifications for the work to be performed on this project. The PBC's architect or engineer for the project will provide the drawings and other documents that may be necessary for you to bid on and/or perform the work. Each of the Books, along with the drawings and any other documents prepared by the PBC, its architect or engineer, are Contract Documents. Collectively, the Contract Documents comprise the Contract. The Contract Documents are defined in Section 1 of Book 2, Standard Terms and Conditions.

Such modifications must be submitted in a sealed envelope and marked in the same manner as a bid. IN ADDITION, the envelope must state "BID MODIFICATIONS TO SEALED PROPOSAL" on the lower left-hand corner of the envelope in which the bid modification is enclosed, so that the modification will be recognized to prevent its being opened prior to scheduled public opening of bids. Telephonic or oral modifications will not be considered. Bidders are cautioned that modifications which are not explicit and which are in any sense subject to misinterpretation shall make the bid so modified or amended subject to rejection.

O. Withdrawal of Bids before Bid Opening

Any Bidder may withdraw its bid by letter, facsimile, e-mail request, or by personally securing, with proper identification, the submitted bid proposal at any time prior to the time fixed for opening of bids. A telephonic request to withdraw a bid will not be considered.

2. Along with reviewing the calculations of each bid, the Commission will evaluate each Bidder's responsiveness to all Bid requirements and responsibility.
3. The Commission may require that the apparent low bidder and any other bidder submit a breakdown of their bids by CSI Division or other appropriate basis. The Commission may also require the apparent low bidder or any other bidder to attend a pre-award meeting to review their bids in detail.

S. Performance and Payment Bond and Insurance

2. The insurance requirements for this project are as follows: The Contractor must provide and maintain at Contractor's own expense, the minimum insurance coverage and requirements specified below, insuring all operations related to the Contract. The insurance must remain in effect from: the date of the notice to proceed until Substantial Completion of the project, during completion of Punch List, as well as any time Contractor returns to perform additional work regarding warranties or for any other purpose

Such power of attorney shall be sealed and certified with a "first hand signature" by an officer of the surety. A facsimile signature will not be accepted by the Commission. The Commission reserves the right to approve the surety company.
5. The failure of the successful Bidder to supply the required Performance and Payment Bond or evidence of the required insurance coverage within five (5) days of notice, or within such extended period as the Commission may grant based upon reasons determined sufficient by the Commission, shall constitute a default and the Commission may either award the Contract to the next lowest responsible bidder or re-advertise for bids. The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide an acceptable performance and payment bond and/or evidence of insurance coverage shall not entitle the bidder to an extension of time required to complete the Work.

T. Protests

1. The bidder shall submit any protests or claims regarding this solicitation to the office of the Commission's Executive Director. A pre-bid protest must be filed five (5) days before the bid opening date, a pre-award protest must be filed no later than ten (10) days after the bid opening date, and a post-award protest must be filed no later than ten (10) days after the award of the Contract.

PUBLIC BUILDING COMMISSION OF CHICAGO

Contract No.1518

BRIGHTON PARK II ELEMENTARY SCHOOL

V. PROPOSAL SUPPORT DOCUMENTS

A. Basis of Award (Award Criteria)

To promote the intended goal of economic opportunity and maximize the use of minority personnel on this project, the Public Building Commission of Chicago has established the Award Criteria formula for the purpose of evaluating proposals and awarding the contract. A contract in the amount of the total Base Bid or Base Contract Price will be awarded to the responsible bidder with the lowest Award Criteria Figure. The Public Building Commission of Chicago reserves the right to check all calculations for accuracy. The fulfillment of the Award Criteria does not abrogate the responsibilities of the Contractor to comply with federal and state requirements under the *Equal Employment Act* and the *Illinois Human Rights Act*.

1. Instructions

The Bidder shall complete the Award Criteria Formula and transfer the final Award Criteria Figure - Line 15 to the space provided on the itemized proposal sheet. Failure to complete the formula may be cause for rejection of the Bidder's proposal. The successful bidder will be held responsible for adhering to the figures submitted in Lines 1, 2, 4, 6, 8, 10 and 12 during construction of the project.

Lines 2, 4 and 6 in the formula shall not be greater than fifty percent (50%) in each category for the sole purpose of determining award of the contract. Similarly, lines 8, 10 and 12 shall not be greater than ten (10%) percent in each category for the purpose of award criteria only. The fifty percent (50%) and ten percent (10%) goals are not intended to restrict the total number of minority and female employees to be used on the project, but only to establish limiting figures for use in the formula. Journeyworker includes journeyworkers from the major trades listed herein, including, without limitation, journeyworkers engaged in steel fabrication, and the truck drivers. Watchmen and custodial workers are not creditable in the formula.

2. Award Criteria Formula

Line 1.	Total Base Bid, in figures	See Total Base Bid on Page 14
Line 2.	Percentage of the Journeyworkers hours that the Contractor proposes to be worked by minority Journeyworkers during construction of the project. (Maximum figure 0.50)	.50

3. Community Hiring Bonuses

In order to encourage maximum employment of interested and available residents of the project community on this project, the following bonus calculations shall apply:

- a. In calculating the hours worked by minority and women journeyworkers, apprentices, and laborers under the Award Criteria set out in Part V.A. "Basis of Award (Award Criteria)," all hours worked by minority and women journeyworkers, existing apprentices, and laborers who are residents of the project community shall be multiplied by 1.5.
- b. In calculating the hours worked by minority and women apprentices under the Award Criteria set out in Part V "Proposal Support Documents," all hours worked in new apprenticeships by minority and women apprentices who are residents of the project community shall be multiplied by 2.0.

Definitions

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed, and permanent home and principal establishment.

"Residents of the project community" shall mean persons domiciled within the project area as stated in Section II.A.6., above.

"New Apprenticeship" shall mean an apprenticeship begun for a person who has not held an apprenticeship card within ninety (90) days prior to beginning the project.

4. Liquidated Damages

The Contractor hereby consents and agrees that, in the event that it fails to comply with each of the minimum commitments submitted with this Proposal on Lines 2, 4, 6, 8, 10, and 12 of the Award Criteria Formula, covering minority and female Journeyworkers, apprentices, and laborers respectively, the following shall apply.

If the total hours in any category for which a percentage is assigned in Lines 2, 4, 6, 8, 10, or 12 of the Award Criteria equals zero at the completion of the work, then a net deficiency of the entire percentage assigned will be deemed to exist. For any net deficiency in each category, the following amounts shall be deducted as liquidated damages from monies due the Contractor and the Contract Sum modified accordingly:

PUBLIC BUILDING COMMISSION OF CHICAGO
Contract No.1518
BRIGHTON PARK II ELEMENTARY SCHOOL

- a. For each full one (1%) percent deficiency of minority Journeyworkers not utilized – four cents per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 04}}{100}$$

Each one (1%) percent deficiency toward the goal for female Journeyworkers (Line 8) shall be calculated in the same way.

- b. For each full one (1%) percent deficiency of minority apprentices not utilized – three cents per hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 03}}{100}$$

Each one (1%) percent deficiency toward the goal for female apprentices (Line 10) shall be calculated in the same way.

- c. For each one (1%) percent deficiency of minority laborers not utilized – one cent per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 01}}{100}$$

Each one (1%) percent deficiency toward the goal for female laborers (Line 12) shall be calculated in the same way.

- d. Liquidated damages, if any, will be calculated for the first pay requests reflecting fifty percent (50%) completion, seventy-five percent (75%) completion, and ninety percent (90%) completion, respectively, based upon the Contractor's pay request together with all attendant certified payrolls and other required documentation of minority and women employment. The accrued liquidated damages and interest will be added to the retention provided elsewhere in this contract. The amount of liquidated damages due to the Commission under this provision will bear compound interest at the rate of 5% per annum, compounded monthly from the date of the Notice to Proceed to the date of approval of a deductive change order for liquidated damages. Should the total amount of liquidated damages due under all provisions of this contract exceed the amount of the Commission's retainage, compound interest on the amount over and above the retainage will continue to accrue until the entire amount of liquidated damages and compound interest is paid to the Commission.
- e. The Commission is aware that certain subcontract agreements under this contract may require subcontractors to contribute to payment of liquidated damages assessed under this provision. Should enforcement of subcontract liquidated damages provisions result in an aggregate total of subcontractor liquidated damages greater than the liquidated damages assessed hereunder against Contractor, then Contractor must pay the excess pro rata as a bonus to each subcontractor exceeding its subcontract commitments for minority or women employment, or both.

5. Reporting

In accordance with this commitment, the Contractor must submit both the Contractor's Payroll Record Form and the Contractor's Recapitulation of Minority and Female Worker Hours and Percentages Form on a monthly basis. All Subcontractors including, without limitation, steel fabrication Subcontractors, shall be listed on the Contractor's Recapitulation Form whether active or not. For the purpose of this report, the following group categories will be used:

- a. The classification "White" includes person of Indo-European descent.

Annual No Change Affidavit Due:

October 1, 2011

Dear Patricia Gallagher:

Congratulations on your continued eligibility for certification as a Women Business Enterprise (WBE) by the City of Chicago. This certification is valid until October 1, 2012.

As you know, your firm must also be re-validated annually. We extended the deadline for submitting the No-Change Affidavit to September 1st so that we might review the program for ways to streamline the process. As a result, while you will still be required to submit an annual No-Change Affidavit, we will no longer require firms to submit financial records with the Affidavit, and we will allow the Affidavit to be submitted on-line. This should improve the process for businesses and make it easier to comply with annual validation requirements. However, as part of our program improvements, we will also increase auditing activities, and you may at any time be required to submit financial records and other documents needed to support your continued eligibility.

This new process will begin in 2011. As such, your firm's next No Change Affidavit is due by October 1, 2011. Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the date of expiration. Therefore, you must file your No-Change Affidavit by August 2, 2011.

It is important to note that you also have an ongoing affirmative duty to notify the City of Chicago of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification within 10 days of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, and/or gross receipts that exceed the program threshold.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a WBE if you fail to

- ♦ file your No Change Affidavit within the required time period;
- ♦ provide financial or other records requested pursuant to an audit within the required time period; or
- ♦ notify the City of any changes affecting your firm's certification within 10 days of such change.

Further, if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. And in addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining, a contract with the city by falsely

representing that the individual or entity, or the individual or entity assisted, is a minority-owned business or a woman-owned business, is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months or a fine of not less than \$5,000.00 and not more than \$10,000, or both.

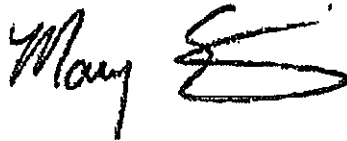

Evergreen Supply Co. is listed in the City's Directory of Minority Business Enterprises and Women Business Enterprises in the specialty area(s) of:

**6036 Electrical Accessories: Alternators, Ammeters, Coils, Distributors, G
91438 Electrical
99837 Electrical Supplies**

Your firm's participation on City contracts will be credited only toward WBE goals in your area(s) of specialty. While your participation on City contracts is not limited to your specialty, credit toward WBE goals will be given only for work done in a specialty category.

Thank you for your continued participation in the City's Supplier Diversity Program

Sincerely,

COOK COUNTY

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

The interest so paid shall be deducted from the funds otherwise due the party who failed to contribute its proportionate part of the working capital. The party failing to advance its share of working capital shall not be relieved of its obligation to share its proportionate share of the loss in the Joint Venture as set forth in Paragraph 8.

(d) Except as provided in Paragraph 11 for the repayment of excess funds advanced by one party, no part of any advances deposited in said bank account or accounts shall be returned to any of the parties and no distribution of profits shall be made prior to the completion of the Project except as may otherwise be mutually agreed upon in writing by the parties hereto. On completion of the Project, all working capital advanced shall be repaid to the party or parties advancing the same prior to the distribution of any profits as hereinafter provided.

(e) Funds that are temporarily considered excess shall be invested by the Joint Venture in a manner jointly approved by the parties.

10. Neither party shall have the right to borrow money on behalf of the other party, or to use the credit of the other party for any purpose nor shall money be borrowed in the name of the Joint Venture except as may be authorized jointly by SOLLITT and OAKLEY.

11. To facilitate handling of all matters and questions in connection with the performance of the Contract by SOLLITT and OAKLEY, each of the parties appoints the following Representatives and Alternates to act on its behalf in relation to any and all matters or things in connection with, arising out of, or relative to the Joint Venture and in relation to any matters or things involving the performance of the Contract and the Project, including but not limited to those of a contractual nature with the Public Building Commission of Chicago, Chicago, Illinois, and any of its departments, or with third persons. Actions and decisions of the SOLLITT and OAKLEY Representatives shall be by unanimous vote whenever possible. Otherwise, actions and decisions shall be made by vote with each representative's vote equal to its firms proportional share in the management of the Joint Venture in accordance with Paragraph 8.

The following are appointed the initial and alternate Representative of the parties:

SOLLITT

OAKLEY

Representative: Howard Strong

Representative: Augustine Afriyie

Alternate: John Pridmore

Alternate: Anthony Kwateng

Either party may at any time and from time to time change its Representative or appoint a successor Representative by filing with the other a written notice and duly executed appointment of a new representative or Alternate. If a Representative at any time resigns or is unable to act (temporarily or permanently) his Alternate shall act in his place and stead with the same authority as such Representative and the Alternate's action shall be binding upon the party who appointed him.

12. Each party shall have a voice equal to its proportional share in the management of the Joint Venture. The Representatives of SOLLITT and OAKLEY shall meet from time to time as required to act on necessary matters pertaining to the Project. All decisions, commitments, agreements, undertakings, understandings, or other matters pertaining to the performance of the Project shall be mutually agreed upon by such Representatives. No Representative shall be liable to the parties by reason of his acts as such, except in the case of his gross negligence or actual fraudulent or dishonest conduct.
13. The general supervision and management of the work called for by the Contract and any and all matters relating thereto shall be under the general charge and control of a Project Management Team who shall be subject only to the joint control and direction of the Representatives. The Project Management Team shall be given such specific powers as the parties may from time to time delegate. The Project Management Team shall be appointed by the Representatives of SOLLITT and OAKLEY and shall serve as such during their pleasure; the members of the Project Management Team at the time of appointment may be an employee of SOLLITT or OAKLEY.
14. Subject to the joint control and direction of the Representatives the supervision of accounting, finances, and taxes of the Project shall be under the general charge and

control of a Project Controller. The Project Controller shall be nominated by the Representatives of SOLLITT and OAKLEY and shall serve as Project Controller during their pleasure; the Project Controller at the time of appointment shall be an employee of SOLLITT.

15. (a) Under the direction of the Project Controller separate books of account for the performance of the Contract and all matters pertaining thereto shall be kept and maintained at the Project office of the Joint Venture. All records of the Joint Venture shall be open for inspection by SOLLITT or OAKLEY at all reasonable times. The books of the Joint Venture shall be maintained on a percentage of completion basis for both book and tax reporting. Periodic reporting to each party shall be made from time to time with such statements and reports relating to the progress of the performance of the Contract and as to the financial condition of the Joint Venture as requested. At the completion of the Contract and at such intervals as the parties may agree upon each party shall be furnished with a complete account of the receipts and disbursements of the Joint Venture.

(b) At December 31 of each year during the existence of the Joint Venture and at the completion of the Contract if requested by either party the accounts of the Joint Venture shall be audited by a mutually accepted firm of independent certified public accountants. Each such audit shall be performed in a manner which will permit the accountant to express an unqualified accountant's opinion with respect to the financial statements of the Joint Venture if the existing facts warrant such an unqualified opinion. The cost of each audit shall be borne by the Joint Venture.

(c) To the extent that the records of the Joint Venture must be kept subsequent to the completion of the Contract, pursuant to the provisions of law, the same shall be kept at such place or places as the parties may from time to time determine, and the cost thereof shall be born equal to its proportional share by SOLLITT and OAKLEY.

16. Cost of construction shall consist of the costs of all subcontracts labor, material, plant, and equipment purchased or rented, bonds, insurance, taxes on labor and material, imports, charges, management fees, legal fees, liabilities not secured by insurance, and all other expenses and obligations incurred or suffered in and about the performance of the Project that are of a nature properly charged as a cost of the performance of the Project under sound accounting practices. Such costs shall not include any charges against the Joint Venture for any overhead expenses or charges of the main or branch offices of the parties or for the time which may be expended in connection with the Project by any of the parties or their officers or employees, except as may be approved by the parties and except as provided for by this Agreement nor shall such costs include any part of a party's capital or interest expense.

If approved by the SOLLITT and OAKLEY Representatives, either party may be reimbursed upon presentation of supporting records for costs directly associated with the Project as follows:

(a) Wages paid for labor in the direct employ of the party but engaged directly in the performance of the work of the Project under applicable collective bargaining agreements, or under a salary or wage schedule agreed upon by such Representatives, and including such welfare or other benefits, if any, as may be payable with respect thereto.

(b) Salaries of personnel of either party when temporarily stationed at the Project office in performance of duties necessary to the work of the Project (personnel engaged at shops or on the road in expediting the procurement or transportation of materials or equipment, shall be considered as stationed at the Project office) and their salaries shall be paid for that portion of their time spent on this work. Representatives will not be considered stationed at the Project office when attending their duties as such.

(c) Cost of contributions, assessments, or taxes for such items as unemployment compensation, social security, and union fringe benefit funds, insofar as such cost is based on wages, salaries, or other remuneration paid to employees of the Joint Venture and included in the cost of the Project under subparagraphs (a) and (b).

(a) Rental charges of necessary machinery, office or warehouse type facility and equipment, exclusive of hand tools, used at the site of the Project.

(b) Cost of premiums for all types of bonds and insurance which the Joint Venture is required by the Contract or law to purchase and maintain including premiums for Payment and Performance Bonds on Subcontractors. Said insurance shall be with a qualified company acceptable to both parties who will strive to obtain the most economical price for said insurance through an insurance broker or brokers agreed upon by the parties.

17. (a) Each party shall own its proportionate share of all the equipment, machines, tools, materials, supplies and other property which is purchased by the Joint Venture or charged to the account of the Joint Venture. At the completion of the Contract or sooner if such property is no longer required for the performance of the Contract, such property shall be divided between the parties in a manner agreed upon by them. If the parties are unable to

agree on the division of some or all of such property, the property as to which the parties are unable to agree upon shall be sold and each party shall be paid its proportionate share of the sale proceeds. All funds and property purchased by the Joint Venture shall be held in the name of the Joint Venture.

(b) It is contemplated that in the performance of the work under the Contract, plant and equipment owned by the parties hereto may be used. Each party agrees to rent to the Joint Venture on terms, if any, established in the Contract or on terms approved by the Joint Venture Representatives such of its plant and equipment as is available and suitable for the performance of said work and as requested by the Joint Venture Representatives. The proceeds of such plant and equipment rentals shall belong to, and be credited and paid to, the Joint Venturer furnishing such plant and equipment, and the other Joint Venturer shall have no interest in such plant, equipment, and equipment rentals and no responsibility in connection therewith. Each party shall submit a statement to the Joint Venture each month for the rental, if any, of its equipment during the preceding month. Such statement shall be in such detail as the Project Controller requires.

(c) The Joint Venture shall bear the cost relating to the equipment rented from a party including cost of operation, fuel oil and lubricants, preventive maintenance, minor repairs and minor repair parts, tires and tubes worn or damaged by careless equipment operation and by unusually rough job conditions. The party owning the equipment shall bear the cost of major repairs to and major repair parts for the equipment and of repairing or replacing tires and tubes worn or damaged by normal use of the equipment. Each owner shall fully insure the equipment at its cost and the Joint Venture shall not be responsible

for the loss of or any damage to the equipment while it is in the custody or control of the Joint Venture.

(d) Accurate and complete records of the various types of equipment purchased or rented for use in the Project shall be maintained on behalf of the Joint Venture.

18. Upon the completion of the Project, after providing for and paying (a) all costs disbursed or incurred in the performance of the Contract; (b) all other costs and charges ordinarily and usually charged as costs in the performance of the Contract; (c) any and all claims not secured by insurance; (d) proper reserves for any claims which shall have either been brought against the parties or which the parties may reasonably anticipate will be brought against them; and (e) reserves for contingencies, if any, including Contract guarantees that shall be determined by the parties in their discretion to be necessary, and after repaying all sums advanced by the parties for working capital, any profits thereafter remaining, resulting from the performance of the Contract, shall be distributed and divided equal to its proportional share between SOLLITT and OAKLEY. Any reserves, when no longer required, or so much thereof as shall remain, shall be similarly distributed. It is the intent of this Joint Venture Agreement that before termination and the final distribution of funds is made to SOLLITT and OAKLEY, all costs and charges incurred in the performance of the contract be satisfied.

19. (a) If the performance of the Contract results in a loss, the parties shall be obligated in accordance with Paragraph 8 for any such loss (irrespective of the fact that SOLLITT or OAKLEY may have advanced more than its respective share of working capital as provided above). Such liability of SOLLITT and OAKLEY for the bearing of losses shall continue with respect to any claims which at any time, either before or after the

completion of the Contract, shall be made against them or either of them by reason of this Joint Venture or any matter or thing done within their authority in connection with the performance of the Contract.

(b) In the event of loss:

1. If any funds remain, and both SOLLITT and OAKLEY have contributed their required proportions of working capital, then such remaining funds shall be paid to SOLLITT and OAKLEY in the amounts contributed by each, less their respective shares of the loss.
2. If both SOLLITT and OAKLEY have not contributed their required proportions of working capital, but sufficient funds are available, then such funds shall be repaid to SOLLITT and OAKLEY in the amounts contributed by each, less their respective shares of the loss.
3. If both SOLLITT and OAKLEY have not contributed their required proportions of working capital, and there are insufficient funds to accomplish the division prescribed in the preceding subdivision, and if there is a deficit in the account of one of the parties by reason of its failure to contribute its required proportion of working capital, then such defaulting party shall make up the deficit in its account. Upon its failure to do so the indemnity provisions of Paragraph 8 of this Agreement shall be come operative, so as to insure that the non-defaulting party shall bear no more than its proportionate share of the loss.
4. If both SOLLITT and OAKLEY have not contributed their required proportions of working capital, and no funds remain or some liabilities are

unsatisfied, then the indemnity provisions of Paragraph 8 of this Agreement shall become operative, so as to insure that neither party shall bear more than its proportionate share of the loss.

20. In connection with any matter arising under the Contract, in no event shall either SOLLITT or OAKLEY be liable to the other, or the Joint Venture, for the acts or omissions of any of its officers, employees or agents, nor shall any duly authorized representative or alternate of the Joint Venture or any member of the Joint Venture management team be liable to SOLLITT, OAKLEY, or the Joint Venture, except for direct (but no consequential) damages resulting from actual fraudulent or dishonest conduct.
21. In no event shall either SOLLITT or OAKLEY be liable to the other or the Joint Venture, in contract, tort or otherwise (including negligence, warranty and strict liability) for any special, indirect or consequential damages including, without limitation, loss of revenues or profits, cost of capital, loss of goodwill or similar damages.
22. Upon the bankruptcy or insolvency of either SOLLITT or OAKLEY or should either party commit any act of bankruptcy or take advantage of any bankruptcy, reorganization, composition, or arrangement statute, then, from and after such date, such party (hereinafter referred to as the "insolvent party") and its Representative and Alternate, as hereinbefore referred to (anything in this Agreement to the contrary notwithstanding), shall cease to have any voice in the management of the Project and the Contract. All acts, consents, and decisions with respect to the Project and the

Contract shall thereafter be taken solely by the other party, its Representative and Alternate. Notwithstanding the foregoing, the insolvent party shall remain liable for its share of any losses, and shall be entitled to receive its share of any profits, such profits to be paid at the time and in the manner provided in this Agreement.

23. The relationship between the parties shall be limited to the performance of the Contract in accordance with the terms of the Agreement. This Agreement shall be construed and deemed to be a Joint Venture for the sole purpose of carrying out the Contract. Nothing herein shall be construed to create a general partnership between the parties or to authorize either party to act as a general agent for the other party, or permit either party to bid for or to undertake any other contracts for the other party.
24. Neither this Agreement nor any interest of either of the parties herein (including any interest in moneys belonging to or which may accrue to the Joint Venture in connection with the Contract, or any interest in the joint accounts, or in any property of any kind employed or used in connection with the Contract) may be assigned, pledged, transferred, or hypothecated, without the prior written consent of the parties hereto.
25. All moneys contributed by the parties to this Joint Venture and all moneys received as payments under the Contract or otherwise received shall be treated and regarded as, and are hereby declared to be, trust funds for the performance of the Contract and for no other purpose until the Contract shall have been fully completed and accepted by the Public Building Commission of Chicago, Illinois, and until all obligations of the parties hereto shall have been paid, otherwise discharged, or provided for by adequate reserves. Such reserves shall likewise be treated as trust funds until they shall have

served the purposes for which they were created. Proper fidelity bond coverage shall be maintained on all persons who are directly connected with performance of the Contract, and the cost of such fidelity bond premiums shall be part of the construction cost.

26. Subject to the provisions of Paragraph 25 this Agreement shall insure to the benefit of and shall be binding upon the respective successors and assignees of the parties hereto.

27. This Joint Venture Agreement shall be interpreted and construed in accordance with the laws of the State of Illinois.

28. All notices pertaining to this Joint Venture shall be in writing and shall be transmitted either by personal hand delivery or through the facilities of the United States Post Office. The addresses set forth above for the respective parties shall be the places where notices shall be sent, unless written notices of change of address is given.

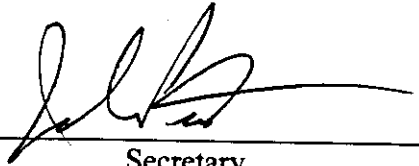

29. All disputes (other than matters of policy with respect to the performance of the Contract) shall be submitted by the parties to arbitration under the auspices of the American Arbitration Association in accordance with its rules.

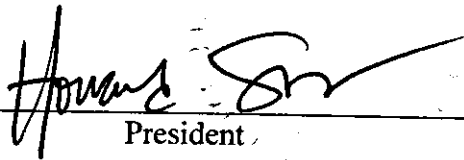

30. The business address for this Joint Venture shall be: 7815-19 S. Claremont Ave., Chicago, Illinois, 60620-5812.

In witness whereof the parties have fully executed this Agreement on the day and year first above written.

Annual No Change Affidavit Due:

June 1, 2011

Dear Augustine Afriyie:

Congratulations on your continued eligibility for certification as a **Minority Business Enterprise (MBE)** by the City of Chicago. This certification is valid until June 1, 2013.

As you know, your firm must also be re-validated annually. We extended the deadline for submitting the No-Change Affidavit to September 1st so that we might review the program for ways to streamline the process. As a result, while you will still be required to submit an annual No-Change Affidavit, we will no longer require firms to submit financial records with the Affidavit, and we will allow the Affidavit to be submitted on-line. This should improve the process for businesses and make it easier to comply with annual validation requirements. However, as part of our program improvements, we will also increase auditing activities, and you may at any time be required to submit financial records and other documents needed to support your continued eligibility.

This new process will begin in 2011. As such, your firm's next No Change Affidavit is due by **June 1, 2011**. Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the date of expiration. Therefore, you must file your No-Change Affidavit by **April 2, 2011**.

It is important to note that you also have an ongoing affirmative duty to notify the City of Chicago of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification within 10 days of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, and/or gross receipts that exceed the program threshold.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a MBE if you fail to

- ♦ file your No Change Affidavit within the required time period;
- ♦ provide financial or other records requested pursuant to an audit within the required time period; or
- ♦ notify the City of any changes affecting your firm's certification within 10 days of such change.

Further, if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. And in addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining, a contract with the city by falsely

representing that the individual or entity, or the individual or entity assisted, is a minority-owned business or a woman-owned business, is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months or a fine of not less than \$5,000.00 and not more than \$10,000, or both.

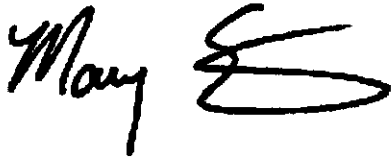

Oakley Construction Company, Inc. is listed in the City's Directory of Minority Business Enterprises and Women Business Enterprises in the specialty area(s) of:

General Contractor; Commercial and Institutional Building Construction; Project Management Services; construction Management Services

Your firm's participation on City contracts will be credited only toward MBE goals in your area(s) of specialty. While your participation on City contracts is not limited to your specialty, credit toward MBE goals will be given only for work done in a specialty category.

Thank you for your continued participation in the City's Supplier Diversity Program.

Sincerely,

A handwritten signature in black ink, appearing to read "Mary E", with a stylized flourish at the end.
